Re: J.S.I.D. File # 11-0116
L.A.S.D. File # 011-01871-0562-055

Dear Captain Smith,

The Justice System Integrity Division of the Los Angeles County District Attorney's Office has completed its review of the February 11, 2011, non-fatal shooting of Armando Gonzalez by off-duty Los Angeles County Sheriff's Deputy Juan Rodriguez. We have concluded that Deputy Rodriguez acted in lawful self-defense.

The District Attorney's Command Center was notified of the shooting on February 11, 2011, at approximately 4:20 p.m. The District Attorney Response Team (Dart), comprised of Deputy District Attorney Fernando Guzman and District Attorney Senior Investigator [REDACTED] responded and was given a briefing of the circumstances of the shooting and a walk-through of the scene.

The following analysis is based on reports prepared by the Los Angeles County Sheriff's Department (LASD), submitted to this office by Sergeant John Fredendall, LASD Homicide Bureau. Deputy Rodriguez provided a voluntary statement to the investigators which was considered as part of this analysis.

FACTUAL ANALYSIS

On February 11, 2011, at approximately 2:35 p.m., off-duty LASD Deputy Juan Rodriguez was driving his personal vehicle in the number three lane of the eastbound 60 Freeway. A silver Ford Expedition (SUV) driven by Armando Gonzalez pulled up next to him in the number two lane. Gonzalez began lurching his vehicle forward, while making eye contact with Rodriguez.¹ Rodriguez' windows were rolled down as was Gonzalez' front passenger window.

¹ Rodriguez believes that the appearance of his Honda Civic prompts others to challenge him to race.

Gonzalez raised both of his hands in the air as if to say "What's up?" Rodriguez raised his hands in the air as if to say "Whatever." Gonzalez began to make more animated and aggressive hand gestures. Gonzalez continued looking at Rodriguez as he appeared to be searching for something in his center console area. Rodriguez believed that Gonzalez was searching for a weapon. Rodriguez "nonchalantly" moved his service weapon from below his driver's seat onto his lap. He was careful to avoid displaying the handgun to Gonzalez and kept it holstered.

Rodriguez moved ahead of Gonzalez on the freeway but kept watching him in his rearview mirror. Gonzalez appeared to be frantically searching for something in his vehicle as he continually looked at Rodriguez. Although traffic was beginning to slow, Rodriguez began changing lanes and accelerating in order to elude Gonzalez. Gonzalez began changing lanes and accelerating as if he was pursuing Rodriguez.

When Gonzalez was directly behind him, Rodriguez removed his service weapon from the holster. Traffic slowed to approximately 10-15 miles per hour (mph). Gonzalez changed lanes to the left and pulled up next to Rodriguez. Gonzalez made eye contact with Rodriguez and raised his right arm, pointing a black semiautomatic handgun directly at him. After hearing a loud boom or a gunshot, Rodriguez fired four or five rounds at Gonzalez.

Gonzalez stopped on the freeway as Rodriguez continued driving for approximately one half mile. He parked on the right shoulder of the freeway, exited his vehicle and ran to the right front fender, while looking west toward the SUV. He was attempting to call 9-1-1 with his cellular phone when he saw Gonzalez approaching. Gonzalez went from the number two lane, across three lanes of traffic, heading directly for Rodriguez' vehicle.

Rodriguez was holding his gun in both hands, aiming directly at Gonzalez' SUV. Gonzalez had both hands on his steering wheel and was still holding his gun in his right hand. As the SUV was about to strike the Honda, Rodriguez fired one round, shattering the rear window of the SUV. Gonzalez swerved around the Honda and drove past Rodriguez at a high rate of speed. Rodriguez called 9-1-1 and reported the shooting.

Witness Statements

██████████ was driving behind the SUV and saw it drive toward the Honda. He saw Rodriguez fire one round shattering the SUV's rear window. The SUV continued east on the freeway exiting at the next off-ramp, Peck Road. ██████████ followed the SUV as it turned westbound on Durfee Avenue and northbound on Santa Anita Avenue, where it came to a stop. ██████████ watched as Gonzalez was detained by LASD Deputy Serrano.

Deputy Serrano saw that Gonzalez was bleeding from a laceration on his upper right cheek. Serrano called paramedics who arrived and treated Gonzalez. Gonzalez was transported to Los Angeles County Medical Center where Dr. Steven Sanko determined that Gonzalez had a gunshot wound to his face. The bullet lodged in his sinus cavity and caused a brain contusion.

Several witnesses heard a popping sound while driving on the freeway, but did not see the incident. [REDACTED] and [REDACTED] were together in [REDACTED] vehicle when they saw Rodriguez point his gun toward Gonzalez and fire several rounds. [REDACTED] heard four or five gunshots before she saw Rodriguez fire his weapon. They could not see what Gonzalez was doing.

Several witnesses saw Rodriguez fire at Gonzalez as he stood on the side of the road. Only [REDACTED] saw what Gonzalez was doing at the time of this shooting. Gonzalez was waving his arms as if to say "Don't shoot." [REDACTED] heard three gunshots. He did not see Gonzalez well enough to determine his gender. It should be noted that [REDACTED] was traveling westbound on the other side of the freeway at the time of his observations.

Further Investigation

Investigators found two semiautomatic handguns hidden in a secret compartment near the center console of Gonzalez' SUV. A 9mm Ruger had nine live rounds in the 15 round capacity magazine. A .40 caliber Glock had one live round in the chamber and seven live rounds in the ten round capacity magazine. A spent casing which matched the rounds in the Glock was found on the front passenger floorboard. There was a bullet hole in the front passenger door of the SUV which was caused by a gun fired from inside the vehicle. DNA from a blood stain on the Glock matched Gonzalez.

On October 3, 2011, Gonzalez was convicted of assault with a semiautomatic firearm. He was sentenced to thirteen years in state prison. This conviction was based upon the facts of this case.

CONCLUSION

The use of deadly force in self-defense or in defense of another is justifiable if the person claiming the right actually and reasonably believed (1) that he or the person he was defending was in imminent danger of being killed or suffering great bodily injury, (2) that the immediate use of force was necessary to defend against that danger, and (3) that he used no more force than was reasonably necessary to defend against that danger. CALCRIM No. 505.

The "reasonableness" of a particular use of force must be judged from the perspective of a reasonable officer on scene, rather than with the 20/20 vision of hindsight... The calculus of reasonableness must embody allowance for the fact that police are often forced to make split-second judgments - in circumstances that are tense, uncertain, and rapidly evolving - about the amount of force that is necessary in a particular situation. Graham v. Conner, (1989) 490 U.S. 386, 396-97.

The evidence examined in this investigation shows that off-duty Deputy Rodriguez was being pursued by Gonzalez on a crowded freeway. Gonzalez pointed a loaded firearm at Rodriguez and fired at least one round. This placed Rodriguez and the surrounding drivers in imminent danger of great bodily injury or death. Rodriguez responded with deadly force.

We find that Deputy Rodriguez acted in lawful self-defense. We are therefore closing our file and will take no further action in this matter.
